Computational Methods Chapter 3
Homework 3

Work the following problems from the book:

Work these by hand.
3.2, 3.6, 3.8, 3.10, 3.11

Programs (note the book may refer to MATLAB, but you should use Python wherever you see this).

3.17, 3.19, 3.21, 3.24, 3.27 (note on 27, just do the part using the Steffenson technique)
